CANADIAN FIREARMS SAFETY

The Canadian Firearms Safety Course (CFSC) was developed in partnership with provinces and territories, national organizations with an ongoing interest in firearms safety, as well as many firearms and hunter education course instructors from across Canada. This course was developed to meet the mandatory requirements of section 7 of the Firearms Act. The legislation stipulates that individuals wishing to acquire non-restricted firearms must take the CFSC and pass the test OR challenge and pass the CFSC test without taking the course. Individuals wishing to acquire restricted firearms must take the CFSC and the Canadian Restricted Firearms Safety Course (CRFSC) and pass the tests OR challenge and pass the tests without taking either course.

Bring a lunch, identification, and your address. This is the course you need to purchase firearms and/or ammunition.

Date: March 20 or May 1
